

So those who were engaged in the work labored, and the repairing went forward in their hands, and they restored the house of God to its proper condition and strengthened it.

Dear Friends,

St. James Lutheran Church is blessed with so many people who are connected to our faith community in a variety of ways – through baptisms, weddings, confirmations, youth activities, family, community groups and lasting friendships. We hope you have good memories of your connection to the mission and ministry here.

The congregation has embarked on a needed capital campaign to repair, renovate, and sustain the ministry that has been near the center of Gettysburg since 1848. *Renewing God's House to Share God's Love* is the campaign which will repair the leaking flat roof and old windows, repoint the exterior, renovate the kitchen, and upgrade both the sound system and the building's fire and security systems. We will also make repairs and upgrades to the house next to the church which provides services to the homeless in the community. St. James' ministries and our welcome of groups using the building will continue throughout the campaign and into the future.

Now is a moment we hope to meet the challenge of ensuring that the facilities serve the community, as well in the future as they have in the past. We invite you to participate in this building campaign to preserve and enhance St. James' opportunities for ministry. It would be a blessing to have you be a part of *Renewing God's House to Share God's Love*.

Enclosed is a commitment card and envelope. It provides an opportunity for you to make a gift in whatever amount or way that you see fit. Gifts in honor or memory of a loved one are welcome.

Thank you for giving consideration to this important undertaking in the life of St. James Lutheran Church. May God's richest blessings and peace be with you.

Yours in Christ,

Pastor Michael E. Allwein
